

ACSELERATOR Analytic Assistant SEL-5601 Software Is Discontinued

ACSELERATOR Analytic Assistant® SEL-5601 Software is discontinued and replaced with SEL-5601-2 SYNCHROWAVE® Event Software.

SYNCHROWAVE Event, the functionally equivalent replacement for Analytic Assistant, is available now on the SEL website.

Discontinued Products	Impact	Replacement Product	Replacement Product Available
ACSELERATOR Analytic Assistant® SEL-5601 Software, all versions	No longer available from the SEL website after June 17, 2019	SEL-5601-2 SYNCHROWAVE® Event Software	Now

The SEL website has a feature comparison chart at selinc.com/products/software/5601-2-Comparison/.

SYNCHROWAVE Event is available from the SEL website at selinc.com/products/5601-2/.

Schweitzer Engineering Laboratories does not plan to release new revisions or security updates for Analytic Assistant. SEL recommends discontinuing use of Analytic Assistant and replacing this software with SYNCHROWAVE Event.
